The California Kindergarten Association endorses these developmentally appropriate, early childhood, Lakeshore products for use in a Kindergarten or Transitional Kindergarten classroom. The Kindergarten Readiness Act of 2010 was signed into law on Sept. 30, 2010, in the state of California. This law effectively changes the entry date to Kindergarten by an incremental date rollback from the current Dec. 2 entry date to Sept. 1 by 2014. Starting in 2012, children will have to have turned 5 years old by Nov. 1 in order to enter Kindergarten for the 2012-2013 school year. In 2013-2014, a child will have to have turned 5 years old by Oct. 1. By the 2014-2015 school year, a child will have to have turned 5 years old by Sept. 1. The law also establishes a developmentally appropriate Transitional Kindergarten to accommodate the children who will miss the cutoff dates. Transitional Kindergarten will be taught by a credentialed teacher. If you would like more information about the new law and curriculum support, go to www.californiakindergartenassociation.org.
