

Letter from Santa

Dear Jewyl,

I have been watching you and have noticed that you LOVE to draw! So, I made this special Homework Box JUST for you! You can use this box when your brothers are doing their homework. They work very hard and sometimes need Mommy to help them. This box will keep you happy so Mommy can help Tayden and Ryland with their homework.

Have fun drawing and please remember to keep your box nice and tidy and always put everything back inside the box when you are done.

Jewyl, you are such a sweet little girl and listen so well to Mommy and Daddy. Keep up the great growing and learning!

Love,

Santa Clause
