

Letter from Santa

Dear Tayden,

I've been watching you and I know how hard it is for you to do your homework each day. So, I'm sending you this special Homework Box! I'm hoping it will help you to do your homework every day. This Box is JUST for you, and only for you to use when you are doing homework. I've seen that you get hungry after school and like to have a snack. I have made a Magical Snack Tin for you that I have placed inside your Homework Box. This tin is to remain inside your Homework Box, and your mommy or daddy will fill it with a special surprise snack that you can eat at any time while you're doing your homework. This snack will turn magical and give you magical energy to finish your homework. When you are finished with your homework, you may eat another snack if it is OK with your mommy and daddy.

I've also been noticing that it can be hard for you to focus on getting your homework done when Ryland and Jewyl need Mommy's attention too. So, I have also made a Homework Box for them as well. I hope this will keep them busy so that you can finish your homework and do the great job that I know you can do.

Please keep your Homework Box nice and tidy and always make sure to put all your supplies back in the box each time you are finished with your homework.

Tayden, you are such a hard worker and do so well in school. You are a very bright boy! Continue working hard and listening well!

Love, *Santa Clause*
