

Little Bird Tales: Technology Instructions

After you know the content you plan to use for your Little Bird Tale, here's how you create one!

1. To create a Little Bird Tale, you need to sign up for a free Teacher account with a username and password. Go to the website <http://www.littlebirdtales.com/>. If you're using the app, you first need to create an account online then you can make your tale with the app. (The app costs \$2.99.)

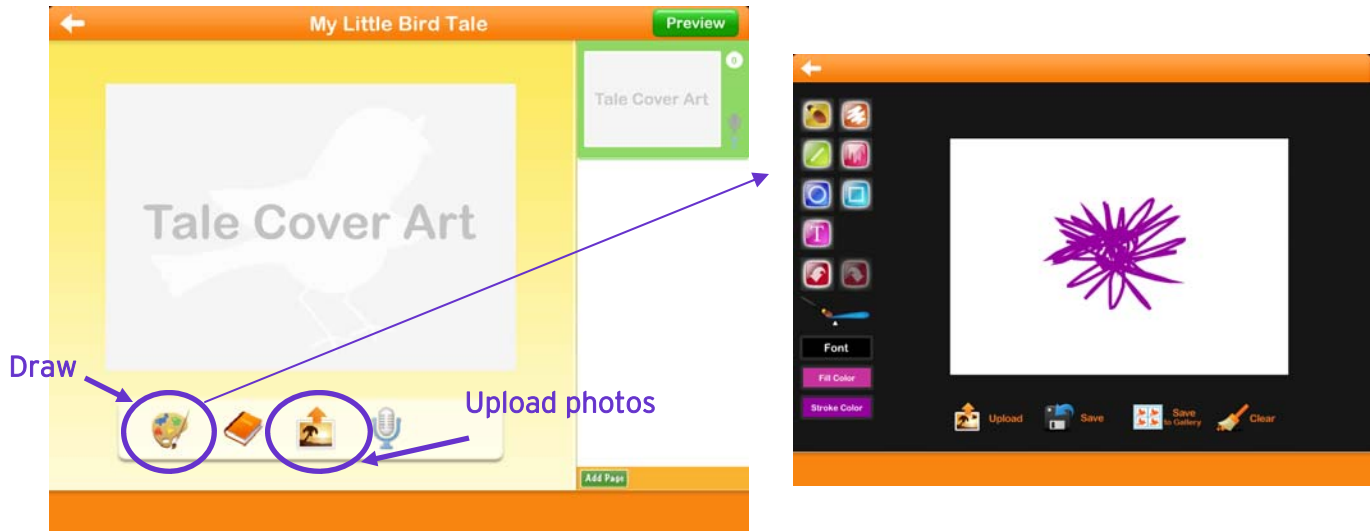

There are some great features for teachers using Little Bird Tales with their students!

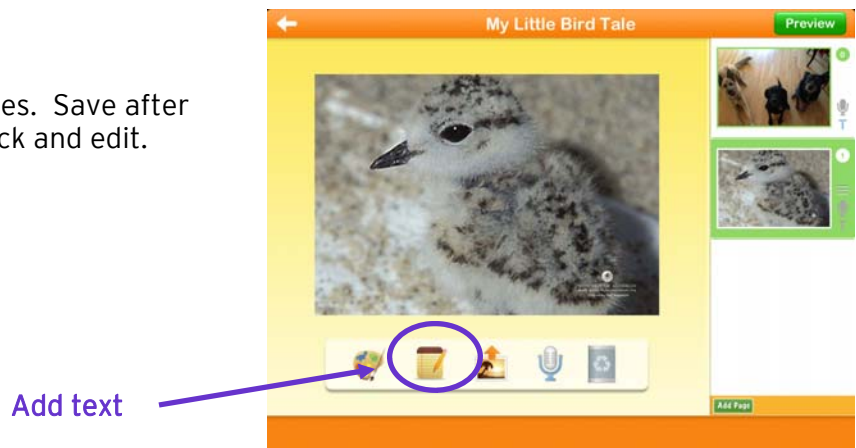

2. Click on "Create a New Tale" and give your story a name. Click 'Save'.

3. To create your tale, you can use photos from your photo library or camera roll or draw your own images.

4. Type text to go with your images. Save after each page. You can always go back and edit.

5. After you've finished adding images and text, you can record yourself narrating your story. Note: *You need Adobe Flash in order to add your voice.*
