### Some smaller districts enroll younger 4-year-olds in early kindergarten

Several districts are offering "expanded transitional kindergarten," offering kindergarten to young children who are still four! What is particularly amazing is that even though these schools do not receive funds for those students until they turn 5 these districts feel there is a need for an option for a high quality program to make sure students are ready for school. These districts are really doing what's right for young children!!! [Read more....](#)

### Self-Regulation by Young Children

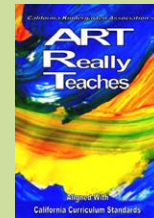

Are your students facing behavior challenges? Do you wonder about how to maintain order so children can learn and stay safe? Do you struggle to find time to help children control their behaviors? Then the recent Curricular Theme on Self-Regulation may be just what you need! It has lots of resources to help you with day-to-day issues. [Access it here....](#)
