"Wolkis
Wonderland"

LOCATION ...

Live via Zoom

COST ...

Free!

LeAnna Wolkis is an energetic and passionate Kindergarten Teacher from Arizona with over 25 years of teaching experience in the Paradise Valley School District. She earned her Bachelor's degree from Arizona State University, a Master's Degree from NAU and achieved National Board Certification. Besides teaching in her classroom where she creates mini engaging learning spaces known as The Wolkis Wonderland, LeAnna travels across the country presenting on topics that are near and dear to her heart including mindful math talk, brain breaks with music & movement & 100% student engagement. She incorporates hands-on centers and project-based activities inside her cooperative learning environment. Her

mission is training kids to coach each other using brain smart choices while building classroom communities that promote equity and fairness.

Follow along with her magical experiences on Instagram: [@wolkiswonderland](#) and her website: [Wolkis Wonders](#).

The First 30 Days and Beyond: How to Best Prepare for a New Teaching Adventure

As Educators, we are headed into uncharted territories. Let's join together in this session, where you will be gathering ideas for organizing & storing students' individual supplies and manipulatives whether you are starting on line or in person. The materials we are used to using each day with groups of students will now require additional sanitizing precautions. Find out how to make this happen. This would be the time to make a plan that ensures everyone's safety and allows for multiple opportunities of student engagement during instruction. While our focus may be on creating a safe learning environment, let's not forget to address the emotional backpack children are wearing when entering our classrooms. Learn ways to build relationships with students both virtually and in person. See how to nourish students well - being through literature, positive affirmations and encouraging a growth mindset for ALL!
